## FROM GENEVA COINTRIN AIRPORT

### *On foot*

It takes about 5–10 minutes to walk from the airport to the ICC building. From Geneva airport arrivals hall: walk past the Montreux Jazz café, keeping it on your left, continue past the Post Office (La Poste) and through the Car Rental hall. Exit the building into the small bus waiting area, cross this space, and follow the signs for Parking P51. Keep walking straight ahead, following the airport boundary, keeping the airport on your right and the World Trade Centre buildings on your left. Continue on the main road, past the air traffic control tower, and the P51 car park, until you see the ICC building in front of you. Cross the road to reach the ICC, go up the stairs and turn left to enter by the H block entrance of the building.

There is a free shuttle bus to the Mövenpick Hotel which leaves from outside the Geneva airport arrivals hall. See instructions below for 'Arrival inside the ICC building'.
